

Species present after fire - by family (yellow shows new species)

| Scientific Name                      | Common Name                     | Taxon Family Name |
|--------------------------------------|---------------------------------|-------------------|
| <i>Anthela ferruginosa</i>           |                                 | Anthelidae        |
| <i>Limnaecia sp.</i>                 |                                 | Cosmopterigidae   |
| <i>Macrobathra alternatella</i>      |                                 | Cosmopterigidae   |
| <i>Macrobathra astrota</i>           |                                 | Cosmopterigidae   |
| <i>Macrobathra leucopoda</i>         |                                 | Cosmopterigidae   |
| <i>Ptilomacra senex</i>              |                                 | Cossidae          |
| <i>Achyra affinitalis</i>            | Cotton Web Spinner              | Crambidae         |
| <i>Culladia cuneiferellus</i>        |                                 | Crambidae         |
| <i>Hednota sp.</i>                   |                                 | Crambidae         |
| <i>Hednota bivittella</i>            |                                 | Crambidae         |
| <i>Hednota pleniferellus</i>         |                                 | Crambidae         |
| <i>Hellula hydralis</i>              | Cabbage Centre Grub             | Crambidae         |
| <i>Hygraula nitens</i>               | Pond moth                       | Crambidae         |
| <i>Metasia capnochroa</i>            |                                 | Crambidae         |
| <i>Metasia liophaea</i>              |                                 | Crambidae         |
| <i>Musotima nitidalis</i>            | Golden-brown Fern Moth          | Crambidae         |
| <i>Musotima ochropteralis</i>        | Australian Maidenhair Fern Moth | Crambidae         |
| <i>Nacoleia rhoealis</i>             |                                 | Crambidae         |
| <i>Scoparia exhibitalis</i>          |                                 | Crambidae         |
| <i>Tipanaea patulella</i>            |                                 | Crambidae         |
| <i>Eupselia beatella</i>             |                                 | Depressariidae    |
| <i>Eupselia carpocapsella</i>        | Common Eupselia Moth            | Depressariidae    |
| <i>Eutorna tricasis</i>              |                                 | Depressariidae    |
| <i>Amata nigriceps</i>               |                                 | Erebidae          |
| <i>Halone prosenes</i>               |                                 | Erebidae          |
| <i>Halone sejuncta</i>               | Bird Dropping Lichen Moth       | Erebidae          |
| <i>Iropoca rotundata</i>             |                                 | Erebidae          |
| <i>Laspeyria concavata</i>           |                                 | Erebidae          |
| <i>Meranda susialis</i>              | Three-lined Snout               | Erebidae          |
| <i>Nyctemera amicus</i>              | Australian magpie moth          | Erebidae          |
| <i>Orgyia anartoides</i>             | Painted apple moth              | Erebidae          |
| <i>Palaeosia sp.</i>                 |                                 | Erebidae          |
| <i>Philenora aspectalella</i>        |                                 | Erebidae          |
| <i>Philenora elegans</i>             |                                 | Erebidae          |
| <i>Sandava xylistis</i>              |                                 | Erebidae          |
| <i>Simplicia armatalis</i>           |                                 | Erebidae          |
| <i>Spilosoma canescens</i>           | Light Ermine Moth               | Erebidae          |
| <i>Termessa gratiosa</i>             |                                 | Erebidae          |
| <i>Threnosia</i>                     |                                 | Erebidae          |
| <i>Threnosia heminephes</i>          |                                 | Erebidae          |
| <i>Tigrioides alterna</i>            |                                 | Erebidae          |
| <i>Urocoma limbalis</i>              | Bordered Browntail Moth         | Erebidae          |
| <i>Utetheisa pulchelloides</i>       | Heliotrope Moth                 | Erebidae          |
| <i>Ardozyga mesochra</i>             |                                 | Gelechiidae       |
| <i>Ardozyga nyctias</i>              |                                 | Gelechiidae       |
| <i>Aeolochroma metarhodata</i>       | Tea-Tree Emerald                | Geometridae       |
| <i>Arhodia lasiocamparia</i>         | Pink Arhodia                    | Geometridae       |
| <i>Capusa senilis</i>                |                                 | Geometridae       |
| <i>Cernia amyclaria</i>              |                                 | Geometridae       |
| <i>Chloroclystis approximata</i>     | Cherry Looper                   | Geometridae       |
| <i>Chloroclystis filata</i>          | Australian Pug Moth             | Geometridae       |
| <i>Chrysolarentia mecynata</i>       | Mecynata Moth                   | Geometridae       |
| <i>Chrysolarentia severata</i>       | Finely-lined Carpet             | Geometridae       |
| <i>Crypsiphona oculitaria</i>        | Red-lined Looper                | Geometridae       |
| <i>Cyneoterpa wilsoni</i>            |                                 | Geometridae       |
| <i>Dichromodes atosignata</i>        | Black-signed Heath Moth         | Geometridae       |
| <i>Dichromodes estigmara</i>         | Pale Grey Heath Moth            | Geometridae       |
| <i>Dichromodes mesogonia</i>         |                                 | Geometridae       |
| <i>Didymoctenia exsuperata</i>       |                                 | Geometridae       |
| <i>Dissomorphia australiaria</i>     | Dashed Geometrid                | Geometridae       |
| <i>Dysbatus sp.</i>                  |                                 | Geometridae       |
| <i>Dysbatus stenodesma</i>           |                                 | Geometridae       |
| <i>Ectropis excursaria</i>           | Twig Looper                     | Geometridae       |
| <i>Epicyme rubropunctaria</i>        | Red-spotted delicate            | Geometridae       |
| <i>Epidesmia tryxaria</i>            |                                 | Geometridae       |
| <i>Epyaxa subidaria</i>              | Subidaria Moth                  | Geometridae       |
| <i>Eucyclodes insperata</i>          | Lacy Emerald                    | Geometridae       |
| <i>Eucyclodes metaspila</i>          | Inscribed Emerald               | Geometridae       |
| <i>Eucymatoge scotodes</i>           |                                 | Geometridae       |
| <i>Fisera bradymorpha</i>            |                                 | Geometridae       |
| <i>Fisera hypoleuca</i>              |                                 | Geometridae       |
| <i>Gastrinodes bitaeniaria</i>       |                                 | Geometridae       |
| <i>Gastrophora henricaria</i>        |                                 | Geometridae       |
| <i>Idaea inversata</i>               |                                 | Geometridae       |
| <i>Idiodes apicata</i>               |                                 | Geometridae       |
| <i>Melanodes anthracitaria</i>       | Black Geometrid                 | Geometridae       |
| <i>Microdes squamulata</i>           |                                 | Geometridae       |
| <i>Paralaea porphyriaria</i>         | Chestnut-veined Crest-moth      | Geometridae       |
| <i>Parepisparis excusata</i>         |                                 | Geometridae       |
| <i>Pasiphilodes testulata</i>        | Pome Looper                     | Geometridae       |
| <i>Pholodes sinistraria</i>          | Sinister Moth                   | Geometridae       |
| <i>Phrissogonus laticostata</i>      | Apple Looper                    | Geometridae       |
| <i>Poecilasthena pulchra</i>         | Native cranberry moth           | Geometridae       |
| <i>Prasinocyma semicrocea</i>        | Common Gum Emerald              | Geometridae       |
| <i>Psilosticha sp.</i>               |                                 | Geometridae       |
| <i>Psilosticha mactaria</i>          |                                 | Geometridae       |
| <i>Scopula optivata</i>              | Varied Wave Moth                | Geometridae       |
| <i>Scopula perlata</i>               | Australian Cream Wave           | Geometridae       |
| <i>Selidosema agoraea</i>            |                                 | Geometridae       |
| <i>Smyriodes aplectaria</i>          |                                 | Geometridae       |
| <i>Syneora strixata</i>              |                                 | Geometridae       |
| <i>Taxeotis sp.</i>                  |                                 | Geometridae       |
| <i>Taxeotis intextata</i>            |                                 | Geometridae       |
| <i>Taxeotis perlinearia</i>          |                                 | Geometridae       |
| <i>Taxeotis stereospila</i>          |                                 | Geometridae       |
| <i>Thalaina clara</i>                | Clara's Satin Moth              | Geometridae       |
| <i>Thallogama sp.</i>                |                                 | Geometridae       |
| <i>Glyphipterix chrysoplanetis</i>   |                                 | Glyphipterigidae  |
| <i>Abantiades atripalpis</i>         |                                 | Hepialidae        |
| <i>Abantiades labyrinthicus</i>      |                                 | Hepialidae        |
| <i>Elhamma australasiae</i>          |                                 | Hepialidae        |
| <i>Oxycanus sp.</i>                  |                                 | Hepialidae        |
| <i>Oxycanus dirempta</i>             |                                 | Hepialidae        |
| <i>Oxycanus sirpus</i>               |                                 | Hepialidae        |
| <i>Opsirhina lechriodes</i>          |                                 | Lasiocampidae     |
| <i>Pararguda rufescens</i>           |                                 | Lasiocampidae     |
| <i>Porela delineaata</i>             |                                 | Lasiocampidae     |
| <i>Crocantbes micradelpha</i>        |                                 | Lecithoceridae    |
| <i>Pseudanapaea transvestita</i>     | Orange Cup Moth                 | Limacodidae       |
| <i>Agrotis ipsilon</i>               | Ipsilon Dart Moth               | Noctuidae         |
| <i>Agrotis munda</i>                 | Brown Cutworm                   | Noctuidae         |
| <i>Agrotis porphyricollis</i>        | Variable Cutworm                | Noctuidae         |
| <i>Condica aroana</i>                |                                 | Noctuidae         |
| <i>Cosmodes elegans</i>              | Green-blotched Moth             | Noctuidae         |
| <i>Diarsia intermixta</i>            |                                 | Noctuidae         |
| <i>Eutrichopidia latinus</i>         |                                 | Noctuidae         |
| <i>Neumichtis nigerrima</i>          | Black Turnip Moth               | Noctuidae         |
| <i>Proteuxoa hypochalchis</i>        |                                 | Noctuidae         |
| <i>Elesma subglauca</i>              |                                 | Nolidae           |
| <i>Nola sp.</i>                      |                                 | Nolidae           |
| <i>Nola epicentra</i>                | Patched Tuft Moth               | Nolidae           |
| <i>Nola pleurosema</i>               | Plain Tuft Moth                 | Nolidae           |
| <i>Uraba lugens</i>                  | Gum Leaf Skeletonizer           | Nolidae           |
| <i>Barea sp.</i>                     |                                 | Oecophoridae      |
| <i>Barea codrella</i>                |                                 | Oecophoridae      |
| <i>Eulechria encratodes</i>          |                                 | Oecophoridae      |
| <i>Heteroteucha distephana</i>       |                                 | Oecophoridae      |
| <i>Hofmannophila pseudospretella</i> | Brown House Moth                | Oecophoridae      |
| <i>Hoplostega ochroma</i>            |                                 | Oecophoridae      |
| <i>Leistarcha tenuistria</i>         |                                 | Oecophoridae      |
| <i>Merocroca automima</i>            |                                 | Oecophoridae      |
